

Custom Fit Weatherbrakes from Femco, Inc.

Custom Fit: Tailored to the make and model of tractors listed for a tight fit.

Windshield: Rigid, clear vinyl with heavy steel frame, no loose gaps to let in cold or wind. Windshield is plate polished, wrinkle and distortion free for maximum visibility.

Reinforced Vinyl Laminate: Vinyl is resistant to ripping and rotting. It is sewn with nylon thread using double lock seams in stress areas.

Installation: Fewer pieces and precision tooled metal parts that slip easily into place. No special tools needed.

A Convenient Way to Stay Out of the Wind & Cold!
